**Csanád Csűrös**, CEO, Property Forum

**Susanne Eickermann-Riepe FRICS**, Chair, RICS European World Regional Board

### 10:05 - 10:35 Market update: European economic and investment outlook for 2024

The last 18 months have shocked real estate markets in a way not seen since the Global Financial Crisis. Europe has repriced more rapidly than other parts of the world, but there are now increasing signals that the market bottom may not be far away. Are we there yet, how much does market timing matter, what hurdles stand in the way, and where are the opportunities in this new investment window?

People:

**Alex Lund**, Director, European Research, CBRE Investment Management

### 10:35 - 11:20 The future of investments – Where the smart money is going in 2024

With global conditions as they are, it is as important as ever to attract investment and support in order to ensure projects are completed in a timely manner. We will hear from leading CEE investors as we discuss the best investment strategies and the risks and opportunities to look out for.
